## ONLINE CASHLESS PAYMENT SYSTEM

Dear Parents/Carers,

Following feedback from the recent Parent Questionnaire, we have been looking into the options available to the school for an online payment system for parents. This will give you the facility to make payments for school meal, visits, music tuition, breakfast club etc, online with your debit or credit card.

We are writing to try and gauge the level of interest in using a cashless system for all payments to school. **If we move to a cashless system you will no longer be able to make any payments in school**, except for charity days eg. Children in Need. In order to use the cashless system you will need to give us your email address and mobile phone number. However, if you do not have online access you can still subscribe to the system and make cash payments at any PayPoint facility (the nearest one to school being at the Spar Shop).

It is very important that you let us know of your preference for making payments to school as we will base our decision on the choice of the vast majority of parents. Please complete and return the slip below to the school office by Friday 14<sup>th</sup> June.

Yours sincerely

Mrs L Burkinshaw
