24<sup>th</sup> October 2019

Dear Parents,

Our school has booked a very exciting project – we are recording our own CD! We are having a professional mobile recording studio visit our school on **Friday 22<sup>nd</sup> November 2019**. Your child will be involved in the CD recording, singing songs with their class as well as with the whole school.

We are also running a **competition** to design the front cover. **Children can enter by returning the attached sheet by Monday 4<sup>th</sup> November 2019 (after half term week)**. You can use felt tip pens, pencil crayons, paint or anything else colourful to fill in the box. As everything on the lines of the box and over will be cut away for the printing process, please make sure you fill the box right to the edges, but don't put any important parts of the design or writing close to the edge. **Our school logo will feature in the middle of the design – however it is up to you to give the cover a musical feel!**

The CDs are going to be sold by the school at £7.99 each and profits raised will go towards the school funds. The CDs are limited edition so you can only buy them from the school and will be distributed strictly on a 'first come first served' basis. As well as a great memento for the children to have their own CD, we are sure you will enjoy it too and it will also make a great present for loved ones with Christmas coming! To order your CD copies please fill out the slip below and return it to school.

Kind Regards

Ms Webb
