## **PARENT GOVERNOR ELECTION** **March 2020**

The candidates for this election are listed below in alphabetical order with their own biographical details.

Attached is a sheet containing two ballot papers (one for each parent/carer of the household, each family may only vote once regardless of the number of children attending the school).

**Please return the ballot papers in a sealed envelope by 9.30am on Friday 13<sup>th</sup> March 2020.**

The ballot collection box is situated in the school office.

### **JAMES BRIDSON**

My name is James Stephen Bridson. I have a child in Year 1 with a daughter due to start Reception class in September 2020. I take a keen interest in the development of my children and therefore an interest in how the school is run. I enjoy offering support where possible. I am keen to be involved in discussions and feel that my employment background and general nature will be beneficial. I am a Project Manager at Orderwise based in Lincoln with flexibility to work from home. I am confident, passionate, decisive and considerate with excellent communication and listening skills.

### **MICHELLE SHANLEY**

I have worked with people experiencing mental health difficulties for 16 years, initially as a Specialist Social Worker and now as a Psychotherapist and the Clinical Director at a new Community Interest Company in Hull called Space2BHeard. I am very passionate about the importance of mental health support in schools, it is vital to protect our children's emotional and psychological wellbeing. The mental wellbeing of children has a huge impact on their learning and development, however facilitating the emotional wellbeing of children can be complicated and depends on each child's individual needs. I would like the opportunity to support our school in knowing how to optimise our children's psychological and overall wellbeing. The Heads Together campaign for mentally healthy schools demonstrates the importance of this in more detail. I am happy to dedicate time to meetings and carrying out associated tasks for the role.
