Friday 16th July 2021

Dear Parents and Carers

We are delighted that children are able to spend their last day of primary school here with us in school. I wanted to let you know the arrangements for Friday 23rd July, the day the children return.

- Due to the fact the children have worked so hard rehearsing the leavers' production and perfected their acting during the dress rehearsal last week, we would like to film the play on Friday morning. This will also allow you as parents to see it. Details of this will be sent out in due course, however it will not be until the summer holidays that you will be able to view it.
- We will be having our Fish and Chip picnic on the field at 1pm as communicated previously. I will ring all children at the beginning of next week to let them choose from the menu because we need to pre-order the food. Please note that this number will be with no caller ID.
- There will be an opportunity for children to sign a t-shirt if they wish to. Permanent marker pens, such as Sharpies, are recommended so that they do not run or wash out. If children want to have a top signed, **this needs to be in addition to the top they are wearing** (Year 6 are in non uniform that day anyway).
- As we have not had an opportunity to film the leavers' assembly, children will watch a video that has been created for them. This will also be uploaded onto the website on Friday so that you at home can see it too. An app message with details of how to find it will be sent out on the day.

We hope the children are looking forward to returning to school as much as we are. We will endeavour to make their final day a fun and enjoyable one for all.

Many thanks for your continued support.

Miss Elliott
