9th June

Tophill Low Nature Reserve Visit Year 3

13th – 15th June

Year 6 Residential Visit

13th June

FOTS Virtual Meeting 7pm

22nd and 24th June

History Specialist to Visit Year 3 and 4

24th June

Murton Park Visit Year 5

28th June

Full Governors Meeting 6pm

30th June

Year 6 Transition Day & Induction Evening at Driffild Secondary School

Exciting School Trips

The children have enjoyed several school trips this week. Staff carefully select trips which will enhance the children's learning in school and enrich our Learning Challenges.

Our Year 1 and 2 children have been to Flamingo Land Zoo, where they enjoyed seeing a range of animals linked to their learning about Africa. Year 5 and 6 had a super day out at the Schools Food and Farming Day at Driffild Showground, where the children experienced hands-on learning to deepen their understanding in this area. Year 4 visited Tophill Low Nature Reserve, where they were learning all about animal food webs and lifecycles.

After half term there are more trips arranged for the children to enjoy. Our Year Reception class have a visit to Woldie's Lavender & Nature Farm, Year 3 will be visiting Tophill Low Nature Reserve, Year 5 will celebrate the Vikings at Murton Park and our Year 6 children have their exciting three-day residential visit to Dobroyd Castle to look forward to!

THANK YOU!

Fun Run - Sponsor Money

Thank you to all the children and families who have sent in their Fun Run sponsor money. All sponsorship money raised feeds immediately back into resources which will enrich the school experience for the children. We have lots of ideas of how to spend the money and our School Council are also looking into other ways the children would like the money to be spent.

We are absolutely blown away and extremely grateful for funds raised with a grand total of **£2381.40**. This is the highest amount we have ever raised from this event. Thank you so much for the support of your family and friends in sponsoring the children for this fun and enjoyable event. The money raised will make a huge difference! Thank you.

Term Dates 2021/2022

4th July

Sports Day KS1 AM (YR/1/2)
Sports Day KS2 PM

4th July

New Starter Information
Evening for Parents/Carers
6pm

Production 2pm and 6pm

20th/21st July

Driffield Show

22nd July

Year 6 Leavers' Assembly
9.30am
Last day before summer
holiday

Sport Update

Our Year 5 and 6 hockey team enjoyed a beautiful, sunny evening taking part in the Driffield Cluster Hockey Tournament. The children played extremely well and were super role models for their school. The children's skill and development in hockey was evident, mainly due to the input from Fiona Tuplin in our PE sessions and at the after school Multi-Sport Club on Wednesdays.

Sixteen of our Year 6 children enjoyed a morning at Driffield Town Cricket Club yesterday, where they played against Driffield Junior School. It was great to have so much enthusiasm and interest from the class, which meant we were able to field two teams. The children played extremely well and relished the opportunity to take part in a different sport. They also enjoyed a training event, very kindly led by Tom Welch, on Monday after school.

Following a few training sessions, led by Mr Nevet, our school football team played their third fixture as part of our mini-league. We played against St John's of Beverley Primary School and the boys enjoyed playing on home ground. As always, the boys played incredibly well and we were extremely impressed by their performance. There were many goals to celebrate, as we won both matches, with a score of 3-2 and a 2-1. Thank you to Mr Kelly for his time in leading the team. Well done to the children who took part – you did yourselves and the school proud.

Twitter

Just a reminder that we have a school twitter account (**@HuttonCran**) which is a useful way of sharing information and allows you to see instant updates on activities that are happening throughout the school day. Each of our teachers also have an account – please follow them.

Year 5 Forest Schools

Year 5 have completed their five weekly Forest Schools sessions led by Mary Smith. Their sessions have been linked to their Learning Challenge – The Vikings. They have thoroughly enjoyed the inspiring sessions and really looked forward to Tuesday afternoons.

The children have made Viking weapons (bows and arrows, spears, swords) by wood carving and made dens using knot tying skills. They also enjoyed making their own mini fires, using a flint and steel to light them, which took a lot of resilience and perseverance. In addition to this they cooked Viking stew on an open fire and also cooked cakes in a banana skin or within orange peel. Climbing trees and playing games have also been a highlight of their sessions.

The children have improved their teamwork skills, built on their self-esteem, used their imagination and creativity, whilst learning about and exploring our wonderful outdoor environment. Thank you to Mary Smith for delivering these sessions.

Message from the Friends of the School

Thank you for all the support you have given the Friends of the School so far this year. We have enjoyed getting back to running events for the children and families to enjoy. Here is what we have planned for the summer term:

Father's Day Secret Shop

The Father's Day Secret shop will be held in school on Wednesday 8th & Friday 10th June. There will be a range of gifts for the children to choose from. All gifts will be £2 each.

Summer Fair – after school Friday 8th July

As in previous years, this will be a joint event with school with games, stalls, refreshments and more. More details to follow, after our next committee meeting so watch this space!

Village-wide Car Boot Sale – Sunday 17th July – 9:30am-2:30pm

The village-wide car boot is back – hold a sale of your stuff on your driveway – no packing, no lugging, no unloading, no car – just selling! Please see separate flyer for details of how to book a driveway stall. The Friends of the School will be selling maps and refreshments on the day.

Our next meeting is Monday 13th June, 7pm on Google Meet.

Everyone is welcome so please join us online. We will be finalising plans for the summer fair and are always open to new ideas and offers of help.

Our current committee has many members whose children leave the school at the end of this year or the next. We need new committee members to keep the Friends going next year. Could this be you?

Queen's Platinum Jubilee Celebrations

We have been busy in school participating in many activities linked to the Queen's Platinum Jubilee. We enjoyed a visit from two local artists, Janet Saxby and Joan Hudson, and the children created fantastic artwork based on the Queen.

Also, some of the children have thoroughly enjoyed decorating our model corgi, which will be added to the Driffield Town Council Corgi Trail around the Town Centre. The trail will be launched on Thursday 2nd June and will continue throughout the summer.

A highlight for our Year 5 and Year 6 children, was meeting with residents from the village and local area to talk to them about their experience of the 1953 Queen's Coronation, 1977 Silver Jubilee celebrations, Royal Visits and other memories. Please look out for the reports from these interviews, which will be shared in the Village Souvenir Edition of The Bulletin.

The children had great pleasure in making hats and flags to take down to our Platinum Jubilee Street Party Celebration in the showroom at JH Foreman Ltd this afternoon. We had a wonderful time enjoying sweet snacks and watching Tom Rolfe from Russell King Entertainments, who performed an amazing magic show. Great fun was had by all, and it was fabulous to come together as a whole school community to celebrate. A huge thank you to Janet Foreman for all her help and support in organising and hosting the event.

The children also received another special surprise this afternoon from Hutton Cranswick Parish Council. The Parish Council gifted each child and member of staff with a special Queen's Platinum Jubilee memorabilia mug. We are tremendously grateful for this special gift and keepsake and the children were absolutely thrilled to receive it. Thank you!

This afternoon was a wonderful and memorable way to end a positively busy half term. We would like to thank the children for a successful half term and commend them on their attitudes to learning during the last five weeks. Have a relaxing and happy half term!
